

Mobile Banking Application

Frequently Asked Questions

Q: What ways can I access Solano First's Mobile Banking?

A: Access Mobile Banking through your browser or download apps available through iTunes and Android App Stores.

Q: Do I need to be a member of Solano First Credit Union to use Mobile Banking?

A: Yes. Please go to www.solanofirst.com to learn how to become a member.

Q: What can I do with Mobile Banking?

A: You can view your accounts, transaction history, and check images. You can transfer funds between your different share accounts and other Solano First Credit Union accounts, pay bills and use the App to find a nearby ATM.

Q: What can I expect to see in the future of Mobile Banking?

A: In the coming months, we have plans to add even more features! Two such features are the ability to deposit checks through the use of your device's camera and person-to-person payments through PayPal.

Q: Is Mobile Banking secure?

A: Yes. Solano First uses SSL encryption to communicate securely with all services. Solano First always uses state-of-the-art security measures to protect your data, no matter how you choose to access your accounts.
